MOPP FILM STRAPPING TAPE

General Description

115 micron tensilized MOPP film coated with a natural rubber adhesive system. Intended for temporary holding of plastic parts, glass shelves and bins during transport of refrigerators, bundling of pipes, end tabbing of aluminium, steel and pre-coated steel coils, etc. Clean removal from many different substrates.

Features

- High tensile strength and low elongation
- Clean removal from ABS, stainless steel, glass, painted steel

Applications

- Home appliance industry
- Aluminium and steel industries
- Automotive industry

Technical Data

Property	Value
Product Type	Single coated
Backing Type	MOPP film
Adhesive Type	Natural Rubber
Color	Yellow, Black
Backing Thickness	0,115 mm
Total Thickness	0,15 mm
Peel Adhesion at 180° On Steel	3.50 N/cm
Tensile Strength	375.00 N/cm
Rolling Ball Tack	< 10 cm
Elongation at Break	35%
Short Time Temperature Resistance	120 °C
Temperature Resistance	-30°C/+70 °C
Shelf Life	12 months
Standard Length	66 m
Standard Width	1250 mm

* International harmonized test methods: ASTM D-1000, PSTC, EN 60454-2.

All statements and information listed above regarding this product are typical values for general guidance, these data have not to be intended as conformity specification. These suggestions are based on tests we believe reliable, but are not guaranteed for accuracy and completeness. The user must test, evaluate and validate this product before the use, assuming risks and liability of such use. This document may be revised without prior notice. Suggested storage temperature is between 10°C and 30°C with 50% relative humidity.

IMPORTANT: It is the user's responsibility to ensure the suitability and safety of Saint-Gobain products for all intended uses and that the materials to be used comply with all applicable regulatory requirements. Saint-Gobain assumes no responsibility for any product failures that occur due to misuse of the materials it provides arising out of the design, fabrication or application of the products into which the materials are incorporated.

WARRANTY: For a period of 12 months, Saint-Gobain warrants this product(s) to be free from defects in manufacturing. The only obligation under any applicable product warranty will be to replace any portion proving defective, or at our option, to refund the purchase price thereof. SAINT-GOBAIN DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
